Aberdeenshire COUNCIL Environment & Infrastructure Services

Planning Briefing Note (13/06/2025)

APP/2024/1951 - Land at Fetteresso Forest, Stonehaven, AB39 3UX Construction and Operation of 400 kV Air Insulated Substation, Formation of Associated Earthworks, Access, Drainage, Landscaping, Security, Creation of Temporary Construction Compounds and Set-Down, Equipment and Materials Storage Areas

Supplementary information has been received for the above planning application and may be viewed using the online Planning Register at https://upa.aberdeenshire.gov.uk/online-applications/ and searching using the above reference number.

A hard copy of the updated EIA information will be deposited at Stonehaven Library, Evan St, Stonehaven AB39 2ET for inspection by members of the public during normal opening hours. Copies of the updated EIA information may also be purchased by members of the public for a fee, by emailing tkup@sse.com.

Regulation 26 of **The Town and Country Planning (Environmental Impact Assessment) (Scotland) Regulations 2017** requires supplementary information to be readvertised and as such an advert will be published in the Mearns Leader and Edinburgh Gazette on Friday 20 June 2025. The advert will include details of the dates for public comment.

Any representations to this supplementary information may be submitted during the period of 30 days beginning with the date the advert is published.

The most secure way of making a comment is online through the planning register. This is available during the public consultation period. Once submitted, your comment is saved in the system and an automatic receipt is generated to confirm it has been received.

****It is important to note that this advert relates to supplementary information. All valid representations previously submitted remain valid and under consideration.****

Paul Macari, Head of Service – Planning and Economy

Briefing prepared by Stephanie McMillan
