Yes
19	10/10/2025 14:48	10/10/2025 14:58	anonymous	No	You have more opportunities to make friends and you might also have more people to move up to the academy.	Sometimes it takes longer for lunch and there is a more crowded classroom but its ok because you cannot really change that.	Its easier to communicate around the classroom rather than having to pull a lot of peoples attentions so it takes a bit longer.	You might feel lonely as you know everyone in the small school.	Worried	I was worried that everything would change and that the original people in the class would be forgotten because nothing like this had ever happened before but now I know that I was wrong.	no	Yes
20	10/10/2025 14:46	10/10/2025 14:58	anonymous	No	You have more friends.	Bigger classes and maybe some more aggravating people.	Having more really good friends ,teachers can focus a bit more on you.	You have a smaller friend group going up to the academy.	Not sure	Because I've made some really good friends but also some people have been really really mean.	That some kids will struggle with the change and that some enemy's may be made.	Yes
